

1. Read the article below and answer the questions.

The Director,  
 National Health Commission  
 Health  
 100000

Dear Sir,  
 Attached are the results of the research on the effectiveness of the new medicine.  
 The results are very encouraging and show that the medicine is effective in treating the disease.  
 The results are very encouraging and show that the medicine is effective in treating the disease.  
 The results are very encouraging and show that the medicine is effective in treating the disease.  
 The results are very encouraging and show that the medicine is effective in treating the disease.
