

Name _____

Three-digit subtraction with regrouping

Hot Dog Heyday

The first number on each cart below shows how many hot dogs each vendor sold today. The second number shows how many hot dogs each vendor sold yesterday. Subtract to solve each problem and to help each vendor find out how many more hot dogs he sold today than yesterday.

$$\begin{array}{r} \text{HOT DOGS} \\ 214 \\ - 107 \\ \hline \end{array}$$

$$\begin{array}{r} \text{HOT DOGS} \\ 225 \\ - 118 \\ \hline \end{array}$$
