BELLOU'S DAILY ROUTINE

During the week I get up at 8.00, and have a small breakfast, tea and bread with marmalade. At about 8.15 I walk to school. I have classes from 9 to 4 o'clock. Before 4.00, I have good friends there. I don't like the school teachers or the sports (athletics is my favourite) but Geography and Science are fine. On Wednesday our Geography teacher shows a film about different countries. Also, we occasionally go on trips to the Lake District, which I find really interesting. School finishes at 4 o'clock. I go home and help my mum in the house. We eat early, at about 8.30. In the evening I read books, watch TV or listen to music.

At the weekends I get up at about 10. I meet my friends on Saturday and we go into the city centre or play football in the park. On Sunday I go to church with my mum and dad, and then we go to my grandparents' for dinner.
