Future Tense Verbs Worksheet

The present tense of a verb names an action that happens now. The past tense of a verb names an action that already happened.
The **future tense** tells an action that has not yet happened. To make a future-tense verb, add the word **will** before the verb.

Directions: Complete each sentence below with the future tense form of the verb in parenthesis.

Example A: I _____ the marathon this year. (run)

Answer: I will run the marathon this year.
