

Let's Talk Greek!

Exercise 1

1. Look up the word in the dictionary + or the closest version of the word
2. Read the meaning
3. Go to the bottom of the entry and find the Greek (GK) origin of the word * (you may have to look at previous entries and find the original meaning of the first part of the word - or root)
4. Write the Greek root and the meaning next to each word in the table
5. The first one is done for you

Word	Greek root	Meaning of root	Other words
traverse	traverse	traverse	traverse
create			
metamorphose			
autograph			
prince			
transcribe
