

Quotations: 3rd year - The present time

Today we're going to look at some examples from the present time. These quotations show how writers choose to use **present simple** and **present continuous**.

Remember: 1. we use present simple to say **things are true**
2. we use continuous tenses to say **things are happening now**

Now: 1. actions/reviews: 1. we use present simple in the clauses like
2. these continuations: 2. we use present simple in the clauses:

1. They're having a very funny dinner. (S)
