

# Jim Crow laws

1- Read the following Jim Crow laws and discuss if they are fair or unfair in the American states.

2- Explain the meaning between each the part of the law.

3- How can we give the meaning: colour, colour, identification of marriage, voting rights, education, business employment, residential segregation, housing, etc.

4- Explain the law with your own words. Make comments like "woman's education" or "equality".

Section 1. The "Colour of the Skin"

1. "No person shall be admitted to any school unless he is of the colour of the skin of the school."

\_\_\_\_\_

2. "No person shall be admitted to any school unless he is of the colour of the skin of the school."

\_\_\_\_\_

3. "No person shall be admitted to any school unless he is of the colour of the skin of the school."

\_\_\_\_\_

4. "No person shall be admitted to any school unless he is of the colour of the skin of the school."

\_\_\_\_\_

5. "No person shall be admitted to any school unless he is of the colour of the skin of the school."
