

BOOK REPORT OUTLINE
RAMONA THE PEST

This is the first book report for the students this year. In this report I want them to learn about the various story elements that make a book. We will read and discuss parts of the book and go over the story elements in class. The students should follow the outline and use **a lot of detail** in their writing. Parents may help with editing and revising the report. The book report should be word-processed and is **due Monday, December 7th. The parents can word-process the report for the student.**
