1. **WHAT BROAD SUBJECT ARE YOU RESEARCHING?** (Examples: Abortion, Anorexia, Global Warming, Renewable Energy, Cloning, Wal-Mart etc.)

\_\_\_\_\_

2. **MOVE FROM A BROAD SUBJECT TO A NARROWER TOPIC**

- Look at your broad topic from several angles; if required, take a stand on a controversial issue
- Survey what you already know or get background information
- Examine the WHO, WHAT, WHERE, WHEN, WHY of the topic

Example: **Broad Topic:** Abortion **Narrower topic:** Should teens be allowed to have abortions without parental consent?

**Write a short sentence that describes how you will narrow the focus of the broad subject you identified above:**

\_\_\_\_\_

3. **"TRANSLATE" THE SENTENCE ABOVE INTO TWO OR THREE KEYWORDS or PHRASES** (Example from above: Abortion, Teenagers, Parental Consent)

Keyword #1

Keyword # 2

Keyword # 3

\_\_\_\_\_ AND \_\_\_\_\_ AND \_\_\_\_\_

**These KEYWORDS OR PHRASES are your *initial* search strategy, which may change as you continue your research!**
