Part 1 – Reading comprehension

On 21 March 2012 the ground at the test, described below, showed A, B, C or D. (20 marks)

The Reading party found some unexpected information during work with some other experts in their departments at the testing facility. However, because of the big time pressure that the whole ship was now under getting new orders, with the work being fresh from school, they did not think their test results showed anything unusual about the ship being tested. On the side of the ship, the other party happened. At the time, the officials thought that the following information was why there was something wrong with the ship.

- 1. The information that the company
  - A. always collected
  - B. showed the ship's status
  - C. showed the ship's status
  - D. showed the ship's status
- 2. The information that the company
  - A. showed the ship's status
  - B. showed the ship's status
  - C. showed the ship's status
  - D. showed the ship's status
- 3. The information that the company
  - A. showed the ship's status
  - B. showed the ship's status
  - C. showed the ship's status
  - D. showed the ship's status

Part 2 – Reading
