

In a Kindergarten class...

Class, today I'll teach you the "Hokey Pokey" song...

Alright children, follow my lead...

You put your right feet in, you put your left feet out... and you shake it all around and do the Hokey-Pokey...

Ma'am?!

Yes, Junior?

You have to say "foot" teacher.

Okay... Again class...

You FOOT your right feet in, you FOOT your left feet out...
