A Quest for the Queen

Be the first to reach the queen and follow the directions to play the game.

Directions:

1. Stack the game cards facedown and place both game markers at start.
2. Player 1 draws a card from the stack and reads the statement to Player 2.
3. Player 2 states whether the statement is true or false. If he is correct, he advances one space on the gameboard. If he is incorrect, his marker remains where it is.
4. The card is placed at the bottom of the stack. Then Player 2 draws a card to read to Player 1.
5. Play continues in this manner until one player reaches the queen.
