

I see \_\_\_\_\_ (sentence).

The writer is trying to persuade me that...

Here are the reasons (before I giving you):

Reason 1:

Evidence to support that reason:

What I think about that reason:

Here are the questions that I will have about this reason (So... What? Why is that going to convince me?):

Here are some counterarguments I can make against that reason:

Reason 2:

Evidence to support that reason:

What I think about that reason:

Here are the questions that I will have about this reason (So... What? Why is that going to convince me?):

Here are some counterarguments I can make against that reason:

Reason 3:

Evidence to support that reason:

What I think about that reason:

Here are the questions that I will have about this reason (So... What? Why is that going to convince me?):

Here are some counterarguments I can make against that reason:
