

Name \_\_\_\_\_ Date \_\_\_\_\_ Period \_\_\_\_\_

### **Solar System Activity**

While researching your planet on the iPad, write down the answers to these very important questions!

Name of Planet \_\_\_\_\_

1.) In kilometers, how far from the Sun is your planet?

2.) What is the composition of your planet? (i.e. what chemicals is the surface of your planet made of?)

3.) What is the color of your planet?

### **Toilet Paper Activity:**

1 sheet of toilet paper = 100,000,000 km
