Prefixes

Prefixes are added to the beginning of root or base words. When you add a prefix to a base word, you change the word's meaning.

Some common prefixes and their meanings:

re again, back	disnot	pre before
un not, opposite	mis wrong	under below

Directions: Write the meaning of each word. Example: unhappy -- not happy

- 1. dishonest --
- 2. replay--
- 3. underwater--
- 4. preview--
- 5. unable--
- 6. redo--
- 7. preschool --
- 8. untied -- _____
- 9. mistreat --
- 10. underage -- _____
