

Prefixes

Can you reassemble the words below by adding a prefix to each root word?

Remember: A prefix is a group of letters added to the beginning of a word to change its meaning.

es- mis- co- non- anti-

take freeze ordinary

lead change behave

place port clockwise send

operate

- mis- misbehave
- non- _____
- ex- _____
- co- _____
- anti- _____

Can you make any more words by using the same prefixes with different root words?
