

Prove that
everyone else

me!

You need to do something that your team and that the MGT want you to do. You are to write a letter to them explaining why you think you should be allowed to do this. Other people should consider you right to do, make note of all the reasons for your argument.

Go with your own idea/idea and ask them to give you as many arguments as possible why they think you should NOT do this. This should give you some more things to write about. Fill in the details of your task below and begin on your draft letter. (Follow the sample right that you are to read)
