

Writing Peer Review

Name _____

1. PAPER THAT NEEDS REWRITING

- a. Is the thesis statement that makes the strongest argument throughout the paper? Yes or No?
- b. If the author makes many appeals to the reader throughout the paper (most of the sources [outside quotes], what would you expect the paper will do better?)
- c. Examples chosen from outside sources for the paper? Does it seem to be well integrated with the author's own writing?
- d. Is the author's choice of tone the one he/she wants the person reading the paper to feel? If not, what needs to be changed to get it how it was imagined?
- e. Does there any better in the writing? Any areas of the paper that are missing? What are missing or needs the addition.
