

Self-Evaluation for Subject, Aspect, Faculty and Student/Pupil Progress Leaders

During the next year I need to . . .	A lot	A little	Not at all
Strategic Direction and Development of the Subject			
Update the policy statement			
Develop the scheme of work			
Update the scheme of work			
Contribute to the long, medium or short-term planning			
Re-design planning formats			
Update the subject development or improvement plan and report to senior Leaders and/or Governors			
Determine a positive statement for my subject			
Use data to analyse progress in attainment and achievement			
Review and research information to inform current issues in the management of my subject			
Identify and set targets for my subject			
Work alongside others to determine priorities for the school and my subject within those priorities			
Other			
Teaching and Learning			
Observe colleagues and visit their classrooms			
Monitor planning			
Develop new teaching strategies			
Work alongside colleagues			
Lead and support lessons			
Develop good teaching in my school			
Develop good teaching in other schools			
Get feedback from children			
Sample range of pupils' work			
Other
