

When comparing more than two items, you may use a superlative form of the adjective. Sometimes you add the suffix *-est* to the adjective, sometimes, you use the word "most" prior to the word.

Directions: Read each adjective below. Determine whether to add the suffix *-est*, or use the word "most" prior to the adjective.

1. beautiful		6. large	
2. gentle		7. generous	
3. complete		8. comfortable	
4. bumpy		9. great	
5. quick		10. serious	

Some adjectives have irregular superlative forms.

Directions: Write the superlative forms of these adjectives.
