

# My ABC!

1. I like to eat fish. I need your help! Fill in my basket with the missing letters, and I will be happy again.

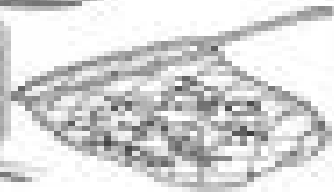

2. How many animals can you see? Count and write the letters in the gaps.

3. Colour the apples with words that start with 'a'. There are only real apples in the basket. What letters do you have to write in these apples?

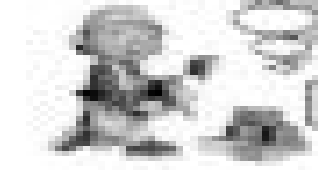

4. Write the letters that this fisherman caught? Write them in the box.
