Forest Biome Survey

Names: _____

Climate data

Today's date _____ a.m./p.m. Air temperature: _____° F

Describe the weather pattern for the last five days: _____

_____

What is it like outside today? Check all that apply:

___ sunny ___ partly cloudy
___ very cloudy ___ light rain
___ heavy rain ___ windy

Field temperature data

Take five laser readings of the ground:

_____ _____ _____ _____ _____ Median: _____ (Middle)

Is this hotter or colder than the air temperature? _____

Take five laser readings of the plants:

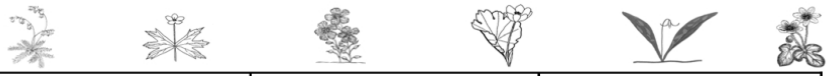
_____ _____ _____ _____ _____ Median: _____ (Middle)

Is this hotter or colder than the air temperature? _____

Take one dial reading of the soil: _____

Is this hotter or colder than the air temperature? _____

Plant Survey



Type (circle)	Species Name	Number Found (Place X on arrow)	Percent (%) with Leaves (trees) *or* Blooms (flowers)	What features helped you identify it?
Flower Tree Other		Few ⟷ Many	0 25 50 75 100	
Flower Tree Other		Few ⟷ Many	0 25 50 75 100
