

Our Day at the Zoo

Our day at the zoo was so much fun! A zoo is a place where you can go and see the animals.

We saw all kinds of animals today. In the morning, we saw the alligator, the bear, and the elephant.

Next, we saw the iguana, the ostrich, and the zebra.

After lunch, we saw the seal and the tiger.

Last, we saw the fox, the monkey, and the kangaroo.

I liked going to the zoo. Seeing all the animals was so much fun!
