

New Deal Programs Word Search

- 1) **You will create a word search using all of the New Deal Programs listed on page 515 (20 Total)**
- 2) **Your word search can have terms horizontally (side to side), vertically (up and down), and/or Diagonally**
- 3) **You may abbreviate the New Deal programs or use the full name of the program in the word search**
- 4) **You must include a “Description” section of your word search so the doer knows what terms to look for**
- 5) **Your “Description” section will not have the names of the New Deal Programs, but rather descriptions of them. It is up to the doer to use the text book to figure out the name of the program based on the description/definition**
- 6) **Your “Description” section must list which terms are Horizontal, which are Vertical, and which are Diagonal**
- 7) **Your “Description” Section must also inform the doer which terms are abbreviated and which terms use the program’s full name**
- 8) **You must create the word search on 8 ½ X 11 blank white paper (or bigger)**
- 9) **You must submit 2 copies of the word search: one copy will not have all the answers circled; one copy will have all the answers circled**
