

Name _____ Grade 10 _____ Counselor _____ ID# _____
 Home Phone# _____ Cell Phone# _____ e-mail _____

Please complete this course request worksheet by checking the box next to the course you are requesting. The Board of Education requires that you select at least a six-hour day and the number of selections must total at least six credit hours. A limited number of courses are offered during seventh period. Remember, if you are taking less than seven classes either semester, you must check the boxes at the bottom of the back of the course request worksheet indicating either no first period or no seventh period. On this worksheet, year and semester courses are identified by subject area. Some courses are sequential and require a prerequisite course. Next to some subjects the graduation requirements are listed in parentheses. Students must earn at least 22 credits to graduate. Consult the Student Services Guide online, your parents, your teachers, and your counselor for help with course selections. Course descriptions may be found online under Publications at: <http://www.aaps.k12.mi.us/aaps.forparents>. Please note that any course(s) listed below with insufficient requests will not be offered in the master schedule of classes.

Online & Blended Courses - AAPS is offering many of our graduation requirements as well as electives as online or blended courses. Online courses are delivered 100% online. A face-to-face orientation and face-to-face proctored tests are required. Blended courses include face-to-face and virtual instruction. Students attend the face-to-face section during the scheduled class time and work both with the instructor and in a virtual environment. If you prefer one of these options, please select the online or blended course in each section.
