

1. I hate to share a secondary source in the works...	...but, don't you think we should ask Andy for his input.	Could it be interpreted in some way that makes clear and understandable
2. I don't get all worked up about it...	... I'll take care of it tomorrow.	Because angry or annoyed
3. We will be a little late finishing this project...	... we have hit a snag.	Experiences a small problem
4. The business way to solve this. Things are just going to get better...	... Yeah, at the moment, it seems like we are up the creek without a paddle...	In serious trouble
5. We could schedule a meeting but both board rooms are booked. We are in a bind...	... Well, I'll see if I can fix the problem right away.	Be forced to solve a problem
6. He deserves the money...	... He worked his fingers to the bone when he first started the business.	To work extremely hard
7. It's just not good enough...	... We'll have to go back to the drawing board.	Retreat, undo something
8. It's great to know that they got the contract...	... Yeah, they were able to pull it off without a hitch.	To do something difficult without any problems
