## APOLOGIZE

I'm kidding on your \_\_\_\_\_, got me too fast off the \_\_\_\_\_, and I'm \_\_\_\_\_  
what you say but I just can't make a \_\_\_\_\_ You tell me that you \_\_\_\_\_, but then you go  
and tell me \_\_\_\_\_, but \_\_\_\_\_ You tell me that you're sorry, didn't think I'd be  
\_\_\_\_\_, and say \_\_\_\_\_

That it's too late to \_\_\_\_\_, it's too late  
I said it's too late to \_\_\_\_\_, it's too late

I'd take another \_\_\_\_\_, take a \_\_\_\_\_, take a \_\_\_\_\_, be nice, and pretend you like it  
\_\_\_\_\_ think it \_\_\_\_\_, but it's nothing new, I know you with the like \_\_\_\_\_, then it's  
nothing \_\_\_\_\_, and you say "Sorry" like the angel \_\_\_\_\_, let me think what you tell I'm  
\_\_\_\_\_

It's too late to \_\_\_\_\_, it's too late  
I said it's too late to \_\_\_\_\_, it's too late when \_\_\_\_\_
