Making Predictions

5. Before we make a choice in life, there are questions we should ask ourselves. We will cover some in the lesson. First, predict which general questions might be good to ask before making a decision in life. (hint: think of God, others, and your future)

- Would this glorify God?
- What impact would this have on others?
- How will this affect my future and the future of others?

6. What I Know Already about Lot: He is a relative of Abraham.

7. What I Know Already about selfishness: It means to put yourself before others. It often is accompanied by greed.
