

Watch the Elements & Principles PowerPoint on my website. Answer the questions as you go through it.

List the elements of art here:

- | | |
|----|----|
| 1. | 4. |
| 2. | 5. |
| 3. | 6. |

List the principles of design here:

- | | |
|----|----|
| 1. | 5. |
| 2. | 6. |
| 3. | 7. |
| 4. | 8. |

Choose the art term that best fits each description below. You may use a term more than once.

Balance	Focal Point	Pattern	Space
Color	Form	Perspective	Texture
Contrast	Line	Principles of Design	Unity
Elements of Art	Movement	Proportion	Value
Emphasis	Negative Space	Shape	Variety

- | | |
|-------|---|
| _____ | Three-dimensional volume that can be empty or filled with objects |
| _____ | The place the viewer's eye eventually rests |
| _____ | The reflected wavelengths of light |
| _____ | The building blocks of art |
| _____ | The result of repeated elements |
| _____ | Two-dimensional outline of an object or area |
| _____ | Real or implied motion in a work of art |
| _____ | Darkness or lightness of a color |
| _____ | Incorporating several different elements to add interest |
| _____ | The look and feel or wholeness or oneness in a work of art |
| _____ | A technique that gives the illusion of visual depth in two dimensions |
