|  |             |
| I can do this by:  |             |
|  |             |
|  | <del></del> |
|  |             |
| This is substituted by   |             |
| This is what I learned from doing this   | project:    |
