****Review Questions on back****

Possible Short Answer Questions:

1. Think back on the general characteristics of empires from our first unit. Why can the Islamic Empire be considered an “empire?”
2. What would you consider to be the key to Akbar’s (Mughal ruler of India) success as a ruler?
3. How were the people of western Europe able to come into contact with Islamic culture?
4. How was the Islamic empire split up to maintain control over their territory?

Where, exactly, were the headquarters of each region?
5. How did the power of the Caliph differ from the power of the Byzantine ruler?
6. Aside from one being Christian and the other Islamic, explain how the Islamic empire differed from the Byzantine empire? Use 3 examples to explain.
7. How was language a unifying force within the Islamic empire?
