

AN INDECENT CHICKEN?

Read the true story below, then make an inference based on the evidence in the story.

¹One of the major costs of processing chicken for sale is the expense of removing the feathers before the chickens can make it to our dinner plate. ²Most people prefer eating their chicken without having to pick feathers out of their teeth. ³Scientists set to work and in 1975, they came up with a featherless chicken. ⁴But this new type of naked chicken never caught on with chicken growers because they soon were presented with another problem that added to their costs. ⁵Can you deduce what the new problem was?

Your conclusion: _____
