

Directions: Fill in the blanks on each card. Then cut out each card and glue in order on your wheel.

The wheel is divided into six segments, each with a blank space for text and a small illustration of a frog at a different stage of its life cycle:

- Segment 1 (Top):** Illustration of a tadpole. Text: "Now the tadpole grows _____ legs. Then the tadpole grows long. _____ Lungs let it breathe air. _____ too."
- Segment 2 (Top-Right):** Illustration of a cluster of frog eggs. Text: "A mother frog lays her _____ . They are covered with clear _____ jelly."
- Segment 3 (Right):** Illustration of a tadpole with short legs. Text: "The tadpole grows short legs. Its tail becomes shorter. _____ Now it is a _____"
- Segment 4 (Bottom-Right):** Illustration of a frog jumping. Text: "Tadpoles hatch from their _____ eggs. They have _____ to help them breathe underwater."
- Segment 5 (Bottom):** Illustration of a frog. Text: "The tadpole has become _____ . It can live _____ on land or in water."
- Segment 6 (Bottom-Left):** Illustration of a tadpole. Text: "_____"
