

Name _____

Date _____

Favorite Colors

Each of these children has a different favorite color. Use the clues to find out which color is each child's favorite. Mark an **X** in squares that cannot be the answer. Mark an **O** in squares that you are sure are the correct answer.

		COLORS					
		Red	Purple	Blue	Green	Yellow	Orange
CHILDREN	Greg						
	Marsha						
	Peter						
	Jan						
	Bobby						
	Cindy						

- Neither Marsha or Jan like red or purple.
- Peter's favorite color is a primary color.
- Two of the children's favorite colors begin with the same letter as their names.
- Cindy does not like orange or yellow.
- None of the boys like yellow.
- If you mix yellow and red together you get Jan's favorite color.
