

My Career Goal

What is your goal for this year? this month? this decade? Do you want to act in community theater? Get straight A's? Make the school baseball team? Create your own Web site? Whatever your most important personal goal might be, wishing won't make it so. You'll need to work to achieve it. Complete the statements below to figure out how.

Some of my personal goals are

My most important personal goal is

I want to achieve that goal most because

Some things I need to do to achieve that goal are

(Complete a Mini-Goal worksheet for each goal or objective.)
