

Project: *Photosynthesis & Cellular Respiration Poster*

Using the diagram on page 84 as a guide, design a poster which shows the following:

1. The Chemical formulas of Photosynthesis and Cellular Respiration.
2. The structures where photosynthesis and cellular respiration occurs.
3. Arrows to indicate the reactants and products of photosynthesis and cellular respiration.
4. A written explanation of the photosynthesis and cellular respiration processes.

DATE DUTE: Thursday, October 1
