Dear Mr. Moran,

This letter is intended to continue our conversation concerning my interest and my engagement with Proedge Corporation. I have enjoyed our ongoing dialogue and the conversations we've had and will remain excited for the future and the things I have seen. However, I have decided to begin my retirement, effective September 17, 2012.

I understand that the company will now bear the burden of implementing my retirement. If there is any way that you or your assistants can assist me, I am sure that Proedge's staff will be happy to provide for the transition and support you have shown to me through the years. Proedge has been a wonderful place to work, and my conversations with the family is me. I wish you and the rest of my team the very best for your future.

Always,

Chris Cingler
