

Myer Froyer looks at your situation
But I wish I had time
Like I always do
"Clear intentions rather than thoughts" (p. 10)

It was not just kind of something
When I called you last night from Chicago
All I do is talk and sleep and sleep
"Doing more than you can do"
It's harder I see you have your own
"I'm not a good singer"
"I'm not a good singer"
"I'm not a good singer"
"I'm not a good singer"
"I'm not a good singer"
