B) Read the paragraph. Find nine words you can change to ONE / ONES

I went shopping with my best friend last week. The first shop was very nice, so we went out very quickly. The second shop was great - I found many nice clothes to buy, and I bought a jacket. I went back to the shop for the first time, but the second one was better. The other clothes were great, but I decided to buy the second one.

After that we walked to the coffee shop and drank the first coffee. It was really nice. I had a nice coffee drink, and my best friend had a chocolate one. The coffee was very nice and healthy. There is a lot of coffee in the world, but in the end the coffee is a healthy one. I had a lot of coffee, because there are many coffee shops.
