

Compound Words

Compound words are made from two smaller words put together.

Tea + pot = teapot

A. Underline the compound word in each sentence.

1. We played outside today.
2. The top playground has tall trees along one side.
3. You should not forget to hand in your homework.
4. Would a seed grow if it was in the cupboard?
5. She bought her mother some chocolates for her birthday.
6. Does grass need sunlight to grow?

B. Now use the words below to make some compound words.

water	thing	down	ball
bed	fish	farm	shelf
car	side	rain	stairs
some	paper	size	chair
gold	net	arm	room
in	mean	back	house
river	full	after	bow
