

Comprehension 2

The sky was dark and it was raining heavily. Rex ran along the side of the road. He was getting wet but he did not mind because he heard a noise in the rain. While he was running along, he came across a big bone on the road. He stopped and sniffed at it. He grabbed the bone with his teeth. He held it in his mouth and continued running.

He ran up a small hill and did not stop until he reached the top. Under a big tree, he dug a deep hole with his front paws and buried the bone. He filled up the hole quickly. Rex suggested his mother and ran down the hill. He got home safely.

1. What animal was Rex?

2. Why was Rex wet?

3. How did he hold the bone?

4. Why did he dig the hole?

5. Where did Rex go in the end?
