

## The Face of America: Now and Then

### Part 1:

How many different "races" of people are there in America?

---

---

---

What percentage of the American population would be in each race?

---

---

---

---

---

Where can we find information about the people living in America?

---

---

### Part 2:

Were you surprised by the results taken from the census reports? Why or Why not?

---

---

---

How did the data compare to your predictions?

---

---

---

How did the data change from 1990-2000?
