

# Tips, Tricks and Treats

thanks

used popplet also and dropbox

I used Evernote to brainstorm

Have been using Story Jumper this week to create a fairytale. Kids really enjoying it

Set up a google calendar for staff to share

I used Evernote to brainstorm a topic

and add in audio then it plays back. We then shared these in the class.

digital personal space

used bubbl.us for mind mapping on what things students wanted to find about Egypt

Used Popplet today to create a collaborative visual

<http://www.popplet.com/>

ingram.ly - great free tool to use with all students and people

We ran a leadership meeting with a back channel .. fascinating
