### FACT FAMILIES

Stick a fact family card onto the numbers in the roof of the houses. Write the fact family that makes up the fact family in the house.

A house-shaped card with a triangular roof and a rectangular body. The roof contains two blank boxes for numbers. The body contains four horizontal lines for writing a fact family.

A house-shaped card with a triangular roof and a rectangular body. The roof contains two blank boxes for numbers. The body contains four horizontal lines for writing a fact family.

A house-shaped card with a triangular roof and a rectangular body. The roof contains two blank boxes for numbers. The body contains four horizontal lines for writing a fact family.
