

Conjunctions

Conjunctions are words that join sentences. Choose one conjunction from the list below to join each pair of sentences. Use a different conjunction each time.

if / so / while / although / because / when / since / but / and / then

The was going out to play. It rained. _____

He went to the cinema. He saw an adventure film. _____

We decided to go to the beach. The sun shone. _____

My friend came round. We were able to play together. _____

You failed to visit me. I was ill. _____

Write sentences of your own, and use the conjunctions left over from the exercise above.
