

## Area & Perimeter

Name: \_\_\_\_\_

Calculate the area and the perimeter of locations on the farm.

Location	Perimeter in cm	Perimeter in km*	Area in cm <sup>2</sup>	Area in km <sup>2</sup> *
Farm house yard				
Northern sheep paddock				
Vegetable garden				
Shearing shed yard				
Wheat field				
Western sheep paddock				
Hillside sheep paddock				

\* Use the scale to convert your measurements to kilometres
