**LEARNING STYLES**

What are \_\_\_\_\_ styles? Learning styles are simply  
different \_\_\_\_\_ in ways of learning. People  
have \_\_\_\_\_ perceive information differently. This has an  
impact on how we \_\_\_\_\_. For example, some people are  
visual learners. They learn \_\_\_\_\_ if they can  
"\_\_\_\_\_ " the information. Other people may learn better  
through \_\_\_\_\_ or \_\_\_\_\_. Although each of us  
is able to learn through all of the \_\_\_\_\_ learning styles,  
a person will learn and \_\_\_\_\_ information easier through  
their learning \_\_\_\_\_.
