

The cat conceited

This is the Adams family. They have a lot of pets because they love to the animals -But they have an especially and beautiful cat-. His name is Garfield. He is a fat cat, lazy, furry and color orange and black. His eyes are blue and he wears dark glasses be careful with the sun. He always eats and sleeps in the living room. He lives in big farm with his masters.

Mr. Obama knows that Tomy the dog barks all day. It likes to bark. The bird sings only in the morning. It likes to sing. The dog and bird are noisy. The cat meows. It meows when it has hungry. It meows when it is angry because he can not see on tv his favorite cartoon. His other friends the fish, the mouse, the lizard and the turtle cannot say anything. They are quietly in the house looking like a cat cry out all day

Answers

1. How many animals are in the story?
