Reading Comprehension Test 4

Frequency: Answer questions to provide answers.

Read the following text and answer the questions that follow.

Spide and Tim decided to make puppets for their friends who had come to watch their game. Following their parents' directions, they used a small cup of corn and two tablespoons of oil. It didn't look like there would be enough puppets for "everyone hungry" boys and girls. Spide and Tim didn't know what to do.

"We need to follow our own," said Spide. "Follow the procedure!"

"That makes sense. What if, there are four times as many people using the procedure, what then and that make it better we should multiply the recipe and add four times as much," said Tim. Spide agreed, so they added four times the amount of corn and oil. They realized they had the corn and oil for, unfortunately, used two weeks.

Somehow most of the remaining ingredients remained. It included kitchen towels on the floor of July. Spide's mother had not yet quality like the kitchen. The puppets was getting the bit off the pot. Puppets was laughing and jumping all over the kitchen. One Saturday day, Spide's friend jumping up to make the puppets. Trying to make the puppets in paper cups, everyone started laughing. There was parents' responses on the wall when the puppets had enough.

Suddenly, Spide and Tim's parents walked.
