19. Describe the KKK.

---

---

Use the chart below to answer questions 20 and 21.

Source: Melvin Schwartz and John R. O'Connor, *Exploring American History*, Globe Book Co. (adapted)

At the beginning of the Civil War, the South had an advantage over the North in

- (1) capital stock of banks
- (2) value of farmland
- (3) farm acreage
- (4) railway mileage

Which conclusion about the Civil War is most clearly supported by information in the chart?

- (1) The North was expected to win the war quickly.
- (2) The South would have the advantage in a long war.
- (3) The South would have a larger, better-equipped fighting force.
- (4) The North and the South were evenly prepared for the war.
